

P-blast @ CBSU

Doing BLAST at NCBI vs CBSU

- P-blast can accept multiple query sequence at one submission
- P-blast gives you several choices of output format
- P-blast allows you to use custom database
- For large genome sequences, P-blast provides mask and re-iterate feature
- Sample Results

Align2Genome

Genome of model organism

- **The web site:** <http://cbsu.tc.cornell.edu>
- **The input files (all in FASTA format):**
 - **Template file**
 - **Query file**
- **The sample result**
